

I am Connie McCann and I would love to be considered as the Band Booster Secretary for the 2022-2023 school year. My son, Braden, is a sophomore percussionist and has been a part of the band through Indoor Percussion since 7th grade and Marching Band since freshman year. My husband and I have volunteered at almost every band event and I would love to expand on that to support the Board in this way.

I have been a part of the Douglas County School District's Early Childhood program for ten years, currently as a teacher. When my children were in Elementary School, I was a part of the PTO as an event chair, Vice President and Co-President during those 6 years.

Thank you for your consideration.
