

Hello, all Legend Band Parents. I am Stacey Mays, and I am interested in being your Vice President for the 2022/23 school year. I am a preschool teacher for Douglas County School District. I currently have one child in the Legend Band. John is currently a sophomore this year and plays baritone in the marching band and trombone during concert season. I also have had two daughters who were in the Legend Band. My husband, Dave and I have helped with Pit Crew, we enjoy supporting the students with getting their equipment on and off the field. For the last two years I have served as the Large Events Chair. I have also helped sew flags for two seasons and volunteered at many different activities and events. I love watching the students' hard work each week as the season progresses and supporting them so they have a great experience. Thank you for your consideration.
